## Remarks:

We are squared away on [ ] intercept and balloon - [ ] have the ball on [ ] and will let me know when they will be finished about tomorrow. [ ] is on balloon intercept. [ ] already has some other people working on it and it should be wound up by Thurs.

The SOD people indicate that a B-57 may be used rather than C-46, consequently [ ] [ ] are held up pending this decision.

Jack will give me an over all plan in a day or so.

You will  recall <span style="border: 1px solid black; display: inline-block; width: 80px; height: 15px;"></span> question last week. As soon as  <span style="border: 1px solid black; display: inline-block; width: 60px; height: 15px;"></span> gives the good word you may want to  drop Wheelon a note saying we have checked into  this and everything is in good shape. </p> </div>
